Business Opportunities in India

By U S Department of Commerce

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Republic of India is one of the world's most politically-active democracies and the tenth largest economy. It is the third largest Asian economy after China and Japan. Among the major emerging markets of Brazil, Russia, India, China, and South Africa (BRICS), India ranks second in terms of economic growth with the IMF forecasting a GDP growth rate of 5.7 percent for 2013. It is the second most populous country in the world with approximately thirty percent of its 1.2 billion inhabitants residing in urban areas. India's industrialized economy encompasses diverse manufacturing sectors (steel production, oil and gas refining, auto, plastics, textiles) that contribute just 18 percent to a GDP that also includes traditional village farming, agriculture, and handicrafts. The services sector, especially information technology, continues to be the major source of economic growth. Services account for more than half of India's GDP output and employ less than one third of its labor force, currently estimated to be 471 million workers, making it the second biggest workforce on the planet. India is the 18th largest...
