This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2013 in the subject English - Literature, Works, grade: 1, 3, University of Basel (Englisches Seminar), language: English, abstract: Hurricane sandy, which raged over the Eastern United States last autumn and caused widespread damage and claimed the lives of over hundred people, was a reminder of how relevant the first quote still is. And Goethe was also right in writing that nature goes its own way. His last sentence, however, is not true anymore. Humanity influences nature, causes these exceptions, and is affected by the results. In this paper, I am going to examine Tim Parks' novels Dreams of Rivers and Seas and Rapids from this point of view. In both novels the protagonists try to gain control over nature and to overcome the hardships which it imposes upon them, but finally have to recognize that it has not only prevailed, but has also altered them and their lives profoundly. As nature has a wide-ranging meaning in literature, the term needs to be narrowed down at first. While the lexical definition is...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
