ADVANCED SHIP MODELLING

Special Interest Model Books. Paperback. Book Condition: new. BRAND NEW, Advanced Ship Modelling, Bryan King, Brian King has spent a lifetime either thinking of, or actually building, model boats. This book is the result of that life's work, as well as 25 years' experience as a trained engineer and a college lecturer in engineering. It tackles advanced theory and practice for the maritime modeller and the author's own philosophy on model-making. The book covers the philosophy of model-making; building static...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
