Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Where is my password? How many times has that phrase run through your mind while you frantically searched for a tiny slip of paper? Akk. Been there, done that. Didn t like the panic. And I can t tell you the number of times I ve had to go through the get-a-new-password process. Do I hear a yes from you, too? REMEMBER! Your Simple Solution to Keeping Organizing Passwords is the book I created to help me--and you--avoid the stress. Life should be easier, don t you think? I bet you ve done this: writing down passwords in a small notebook. For me, that didn t go well. Everything was still disorganized and hard to find because it wasn t alphabetical. Has that happened to you? With REMEMBER! you have: 1) An alphabetical section for recording passwords and related key information. This includes extra spaces for updating passwords as you change them. 2) A section for other crucial information such as about your Internet service provider. 3) A place to record important email addresses so you don t lose them if your email gets hacked. 4) An area for notes. This is the mid-sized edition of REMEMBER! A bigger and a smaller size version are available.
