## SPOONER HALL: UNIVERSITY OF KANSAS (HARDBACK)

University Press of Kansas, United States, 2009. Hardback. Book Condition: New. New.. 229 x 152 mm. Language: English . Brand New Book. Many people wonder which is the best building on campus. It s a popular question to ask the architectural faculty. Although I don t have any idea about what they may mean by best, I have always given the same answer: Spooner Hall. Even before I went inside Spooner, I could see that it was a building of distinction. It is well proportioned, and it is evident from the way that it has adapted and survived that it has a good bone structure. - Barry Newton - KU Professor of Architecture Here is the biography of a much-loved architectural landmark. Spooner Hall, the sixth building to be erected at the University of Kansas, is a Romanesque structure in two colors of stone (Oread limestone quarried onsite and imported Dakota red sandstone) and sits proudly atop Mount Oread with a beautiful view over the valley to the east. Carol Shankel and Barbara Watkins bring together photographs and documents that trace the building from its construction in 1893 to its current use, highlighting the many colorful personalities associated with the building along the way. Their book celebrates not only the building s architectural richness and importance, but also its changing roles. For more than a century, Spooner Hall has shown itself to be remarkably adaptable to the University s needs and aspirations. Funded by a gift from William B. Spooner, a Boston leather merchant and philanthropist, the building was designed by the nationally known architectural firm of VanBrunt Howe. The Spooner Library was completed in 1894, with a capacity of about one hundred thousand volumes-almost five times as many as the University then had. Thirty years later, in 1924, it...
