By Trotman

Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Art, Design and Performing Arts: The Definitive Guide to Degree Courses for 2007 Entry: 2008 (3rd Revised edition), Trotman, "Trotman's Green Guides" is a series of undergraduate course directories combining the latest degree course information with a distinctive and clearly-laid out design. By working closely with applicants and their advisers, we have created what we hope is the winning formula: degree courses listed by subject rather than by institution for effortless comparisons; listings which cover single honours and combined courses; inclusion of subject-specific guidance to ensure help is on hand if needed; printing of A4 guides in full colour so the information is easier to digest; and, printing of course and institution listings on green paper, so users can go straight to the key information. The series replaces the "UCAS/Trotman Complete Guides" series, which is no longer available.
