

A Syllabus of Old Testament History: Outlines and Literature for Private Study and the Class Room (Classic Reprint)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A Syllabus of Old Testament History: Outlines and Literature for Private Study and the Class Room** These are fruitful times for Bible students. Each year adds new and valuable works to their effective equipment. And the period since the appearance of the first edition (1890) of this Syllabus has practically reconstructed our conceptions of the history and archaeology of the Orient. The finds of the explorer have been critically investigated and systematically set forth by the linguist, the archaeologist, and the historian. Their results have been made available in a large body of scholarly literature. These works have appeared, some in comprehensive, sumptuous, attractive, and expensive forms, and others in concise, handsome, and inexpensive volumes. This new library of Oriental life has opened a new field to every Bible student. Here he finds fascinating and fruitful results, such as clothe with flesh and blood the skeleton of Old Testament history. The times of ancient Israel were not unique, nor were they far different in the long run from that of any small people in the midst of the great nations of that day. They were but one of the smaller members of the great family of ancient Oriental nations. The presence of Jehovah and His prophets in the midst of this people has given the Old Testament, a record of their national life, both political and religious, its rightful place and importance as a part of our Bible. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
