Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Do kids have strokes? Is it even possible? Can my child be at risk? The answer to all of those are yes. Through a Dad s Eye is written by Tommy Jones, whose family was faced with a tragic brain injury to their son at an early age. At only nine, Brady Jones suffered a massive stroke for no apparent reason and was forever changed. The author tells how the situation changed his son, his family, his outlook on life, and radically altered his relationship with God. Through a Dad s Eye is a heartwarming story about how a father has viewed and lived since June 10, 2005. Tommy has been wandering, lost for years, and has finally decided to share his family story about Brady s stroke and the years of pain he has witnessed his son have each day. As parents, we look to protect our children, but a stroke is nothing anyone can prepare for or protect against. If you are struggling with pain, sorrow, or feel lost, this is a must read about how one man has coped with his tragedy. Tommy simply reconnected with God and learned that his plans are not always in line with our own.
