INTERNATIONAL ECONOMICS

PHI Learning, New Delhi, 2014. Soft cover. Book Condition: New. During the last few decades, the global economy has undergone rapid structural changes. With the increasing internationalisation of economic life, the study of International Economics becomes more complex due to the conjuncture of several economic, social, demographic and political factors operating both at the national and international spheres. Organized in five parts, this book captures all the recent developments in International Trade Theory in a simple, concise manner. The book...
