I CAN DO BETTER BY MISTAKE

BookBaby, United States, 2016. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. Politics from the point of view of a military veteran and average everyday American. It is time to get past the frustration and sense of impotence and come to the realization that you do, in fact, have a voice and the issues that our leaders struggle with can actually be solved easily with a bit of selflessness and fortitude. This book offers real world solutions to the issues of illegal immigration, accountability, budget, education, religion, diversity, foreign affairs, taxation, crime, health care, the military, the Constitution, and much more. You will laugh, get angry, and, in the end, come away with a real sense of empowerment. Book preview: I want you to wake up to the fact that it is okay to be a proud American. If you screw up at work you get fired, right? The Budget: If you ran your household budget the way the government runs the country s budget, you would be living in a box near some overpass. Immigration: The fact is, one of the most critical responsibilities of any sovereign nation is...
