Brand New Book ***** Print on Demand *****. the king is dead is a Promethean gamble that pays off for Reuben Woolley, a book that seems to be absurdly minimalist in its expression manages to body-cage and reduce universal themes to striking symbols that set into balance the agonies of existence along with a patient longing for death.The eponymously titled series at the heart of the book explores the rage of human wastage and the necessity of physical and psychical transformation. There is a psychic economy to how mythos and ceremony are presented by Woolley. from the introduction by Christine Murray.
