AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My whole life I have dreamed of being a wife and mother. I have always felt so sorry for women who suffered with miscarriages or have lost a child. I never dreamed it would become my own reality. When my fourth child was stillborn, I became entangled in a web of darkness and sorrow so deep I was not sure I would ever be the same. I have been a Christian since I was seven, but it was not until my Bethany Hope died that God brought me to my knees and tested my faith like never before. This book entails some of the dark valleys and struggles I went through during the first year after Bethany died and how Christ never left my side and never will. I am truly learning that life is not about waiting for the storms to pass, but about learning to dance in the rain. When our life takes a wrong turn in our eyes, it might just be a right turn in the direction of Gods.
