THE WORLD S APPROACHING CRISIS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The World s Approaching Crisis In this book we are not to endeavor to set forth new doctrines, or new theories, but to speak of unfulfilled phophesies in the light of the Bible at this time of the closing of the sixth age of the world. Nothing so interested the prophets as the foreshowing of things to come. Peter tells us that they inquired and searched diligently, searching what, or what manner of time the Spirit which was in them did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow. Daniels whole soul was almost drawn out of him by the intensity of his interest, study, fasting and prayer with regard to what was foreshown him. But what is the temper of our modern theologians on the subject of prophecy! The common idea is that a man is a little beside himself, and departs from proper soberness if he ventures to give any serious attention to unfulfilled prophecy.
