0.9in. Authors Note: Remember When is the first book in a romance trilogy. It is intended for mature teen readers and immature adult ones due to some high school sex scenes, questionable language, underage drinking and 1980s flashbacks. Years before Trip Wiley could be seen on movie screens all over the world, he could be seen sitting in the desk behind me in my high school English class. This was back in 1990, and I cite the year only to avoid dumbfounding you when references to big hair or stretch pants are mentioned.

Although, come to think of it, I am from New Jersey, which may serve as explanation enough. We were teenagers then, way back in a time before anyone, himself included, could even dream he'd turn into the Hollywood commodity that he is today. I'm sure I don't need to tell you who Trip Wiley is. But on the off chance you've been living under a rock for the past decade, just know that these days, he's the actor found at the top of every casting directors...
