Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In A Nutshell The Leappreneur is a practical guide on how to transition from Employee to Entrepreneur. It showcases actual examples and experiences from different entrepreneurs in the Philippines to help employees with useful tips and guides on how to start their own business successfully. What You Will Learn In this one-of-a-kind book, you will learn the following, among other things: What are the safer businesses for first-time entrepreneurs in the Philippines Should you buy a franchise or start your own business How to evaluate a business idea like a seasoned Entrep using our Leappreneur Risk Assessment Format How to minimize losses when starting a business How to manage your work and part-time business How to overcome the birth pains of a business When to throw in the towel and give up on your business idea When is the right time to quit your job and become a full-time entrepreneur What to expect after resigning from your job How to get support from your family and friends Why this Book is Different This book is not about theories, but rather practical tips and advice for aspiring entrepreneurs. It is a one-of-a-kind book with Case in Point sections where real stories of entrepreneurs are highlighted to reinforce the topic being discussed. The book is easy to read and guaranteed not to bore you. What Readers are Saying I am not an avid reader of business books in general. But the 2 books I liked reading was Rich Dad, Poor Dad, and this book. When I was reading Leappreneur, I couldn't put it down because it's so interesting. The Case-in-Point sections are full of wisdom and give me...
