Discipleship Publications. Paperback. Book Condition: new. BRAND NEW, Open My Eyes, Lord: Seeing the Spiritual World Around Us, Erica Kim, As human beings living in a physical world, we forget there is another world, not only as real, but more real, all around us. God is living and working in this spiritual world -- calling, loving, protecting, and helping those who are his. Our arch nemesis, Satan, is also working to blind us to spiritual truth and make us think that the here-and-now is all there is. This book helps us to focus on the true realities in life: to believe in the power of prayer, to see the powerful spiritual battle for our souls, to remember that our physical lives on this planet are but a breath when compared to the eternity that we were created to experience.
