Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print, Illustrated. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Psyche is a remarkable sustained fairy tale. Couperus creates a convincing fantasy world, and despite all the abstractions made real (from kingdoms of the past and future to the spiders and the fantastic creature) and the beautiful symbolism, it is a wonderful, magical realm. Psyche, in particular, is an appealing creation, as is the Chimera, and the two other princesses are also very solid characters. (Some others -- Eros, in particular is an excellent representation) The rich writing works well for this story: it is, undoubtedly, literary, but with this material that seems only appropriate. Psyche is a charming and often even exciting tale. Readers should be aware of what they re getting themselves into, but if they re willing to go on an amazing journey, it can be quite rewarding. Recommended.
