

## Measuring Respirator Use in the Workplace

Filesize: 2.2 MB

### ***Reviews***

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).*

## MEASURING RESPIRATOR USE IN THE WORKPLACE

[DOWNLOAD](#)

National Academies Press. Paperback. Book Condition: new. BRAND NEW, Measuring Respirator Use in the Workplace, Board on Chemical Sciences and Technology, Committee on National Statistics, Division on Earth and Life Studies, Panel on Review of the National Institute of Occupation Safety and Health, Division of Behavioral and Social Sciences and Education, Respirators are used in a variety of workplaces including emergency response, mining operations, construction, manufacturing, and hospitals. In 2001, National Institute of Occupational Safety and Health (NIOSH) and Bureau of Labor Statistics commissioned a nationwide survey of respirator use in the workplace, the results of which were published in the 2003 report Respirator Usage in Private Sector Firms. The purpose of the survey was to evaluate respirator use and practices, including training practices and the value of respirator manufacturer's instruction, in order to help guide NIOSH respirator certification and research. This National Research Council (NRC) report evaluates the survey in terms of several measures such as the adequacy and appropriateness of the survey instrument, the survey methodology, data analysis, and the conclusions drawn from the data. The NRC report finds that the survey was an important first step in collecting respiratory protection data from a probability sample but that several improvements could be made in survey design and analysis. Based on the review of the survey, the NRC report concludes that data on respirator use would be best provided by employers and employees in the context of the work setting.
