Contents: Chapter oil pipeline Overview Section pipeline steel development Section pipe classification and uses Section crude refined oil duct fourth gas pipeline Chapter pipe production craft and equipment Section HFW high frequency pipe production craft and equipment Section SSAW pipe production craft and equipment Section LSAW pipe production technology and equipment Chapter welding technology and equipment Section frequency welding Section

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and i suggested this book to find out.
