See It Through Publishing, Inc., United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Paradise Lost: The Unraveling of American Morals attempts to open your thought processes and ask the question, where is the relative standard or baseline today as compared to past Morals and Values? It asks several intriguing questions: 1) Are we just as morally sound in present-day America as in the past, 2) Has the change in contemporary lifestyles affected society's outlook on morals and values in a negative way, 3) Do we see a breakdown of moral and ethical standards in our communities and schools, and if so, what are the affects on society and what are we doing to correct it, 4) Has the advent of advancing technology affected the way we transmit morals and values to our children, 5) Has the continual influence of Hollywood and the continual growth of social media through the world-wide web affected the way we treat and communicate with each other? These are just a few of the many questions the author seeks to present to the reader. He is not attempting to answer the questions, but rather create dialogue that will hopefully spark an interest in improving society. The many questions presented within the book are addressed from a Biblical and Historical perspective. From the Bible or Holy Text, it is predicted in the end-times, there will be loss of natural affection for one another, increasing sexual immorality that will cause Mankind to degrade, and not seek or respect God to the point his mind becomes Reprobate.
