This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

THE FINAL TESTIMONY OF RAPHAEL IGNATIUS PHOENIX

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Final Testimony of Raphael Ignatius Phoenix, Paul Sussman, 'My name is Raphael Ignatius Phoenix and I am a hundred years old - or will be in ten days' time, in the early hours of January 1st, 2000, when I kill myself.' Raphael Ignatius Phoenix has had enough. Born at the beginning of the 20th century, he is determined to take his own life as the old millennium ends and the new one begins. But before he ends it all, he wants to get his affairs in order and put the record straight. That includes making sense of his own long life - a life that spanned the century. He decides to write it all down and, eschewing the more usual method of pen and paper, begins to record his story on the walls of the isolated castle that is his final home. Beginning with a fateful first adventure with Emily, the childhood friend who would become his constant companion, Raphael remembers the multitude of experiences, the myriad encounters and, of course, the ten murders he committed along the way. And so begins one man's wholly unorthodox account of the twentieth century - or certainly his own riotous, often outrageous, somewhat unreliable and undoubtedly singular interpretation of it.
