Brand New Book ***** Print on Demand *****.From the author: The inspiration for this collection of stories was my daughter Lea. Whether she was four or fourteen, she hated to be lectured. But if the subject matter of our discussion was inbedded in a story, she would not only listen, but learn. She always liked stories she could relate to whether the characters could be used as good examples or bad. During an early doom-and-gloom personality period, I wrote Chin Up and Chin Down.
