Rachael Dunn, who has lived in the town all of her life is about to discover more than she wanted to know. Rachael is 26 and likes to keep her days busy. Even when she has time off she spends it drinking to blot out the hollow place inside. In fact, Rachael does not even know it's there until a chance acquaintance with the local shop guy, Chris. Chris is not the ordinary shop assistant Rachael thinks he is. He is a quantum physicist from the past and he needs help to get back to 1949. He is determined to continue his life with his pretty wife of 3 months and save the life of his best friend. As Rachael helps she discovers if Chris goes back to his own time it will destroy her life as well as those of her mother and sister. Unsure what to do next Rachael decides to follow Chris back...
