Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Institute of Jamaica, Popular Lectures: On a New Beverage Substance, the Kola Nut, a Product of Jamaica; A Lecture In this Lecture I propose to bring under your notice some account of the Kola-nut, the seed of a tree growing in this island. It will be my aim to show that we have in this product a new resource of great value and importance. I shall endeavour to point out the great intrinsic value of the kola-nut on account of its medicinal qualities, and more particularly on account of its adaptability to take a place by the side of coffee and chocolate as a beverage-substance, partaking as it does of the qualities of both these staple articles of our agriculture and commerce. I shall also notice the horticultural capabilities of the kola as a hardy tree of easy culture and as adapted to be grown extensively on large areas of unoccupied and otherwise unprofitable lands in Jamaica. Here, then, is a prospect full of interest and promise, which, if it can only be realised, will...
